The Rottnest Express Trophy lived up to everybody's expectations, with no particular tee times but that didn't matter. The course was ready to embrace our likely golfing suspects giving the game of Par a go.

Enjoyment was the big winner.

Rottnest Express is a valued sponsor and on behalf of all Members the committee thanks their continued support for our historic Island Golf Club.

Here we go members the Karma Classic and Challenge Trophy Results

Once again our major sponsor **Karma Resort** has looked after us like never before.

There was a handing out of "**Karma Hats**" prior to tee off which by the way was done by shotgun start. This format for 60 players works a treat and all credit to the **Match committee** as it felt like you were the only group playing out on the course with the occasional "**Royal Hand Wave**" to members on other fairways. Wait time between shots was minimal and guess what? -We were all back at the 19th Hole after a 4.5hr game allowing oodles of time to soak up the camaraderie of the RIGC.

Our favorite Approved Manage Leisa was on the ball and no one found themselves in a long queue for drinks. Thanks Leisa a great job all weekend. 55 Members signed the Record Book
